

I am a K-LOVE listener and have been for seven years. My family and I moved to the Phoenix area in 1997 from Washington DC, where there was no good Christian music radio station. I was so thankful when I discovered K-LOVE here in Phoenix. My kids enjoy K-LOVE and I don't have to worry about nasty jokes from the DJs or inappropriate lyrics in the songs that are played. I support K-LOVE financially and I'm thankful for the opportunity to do so. If the translators that K-LOVE uses are forced off the air it will be a huge loss to the Phoenix area. There is not other radio station in Phoenix that offers the level of encouragement that K-LOVE freely gives everyday. The service that K-LOVE offers is in everyone's best interest. They offer prayer to anyone who desires it, a listening ear to anyone who feels alone and an alternative to all the vulgar comments and angry music coming from other radio stations. Thank you for the opportunity to share my concerns.
